0 BIZKAIA BRIDGE

More popularly known as the Hanging Bridge, is the oldest shuttle bridge in world (1893). A work by Alberto Palacio. It stands 63 metres high and spans 160 metres. Go up to the pedestrian walkway and you will enjoy some extraordinary views.

Winter: 10:00-19:00. Summer: 10:00-20:00.

Gondola: 0.50€. Pedestrian walkway: 9€

1 THE BIG VILLAS PROMENADE

A pleasant audioguided route along the Quays of Las Arenas and Arriazu, where some information panels will help you relive Getxo's golden years. You will discover some of the most representative buildings in its mansion-house architecture (19th & 20th centuries). The route can begin at the Churrucua Monument to end at the Begoña Point Galleries (or vice versa).

2 PUNTA BEGOÑA GALLERIES

Built a century ago by Ricardo Bastida as a place of leisure for the businessman Horacio Echevarrieta, this coastal icon holds within its walls millennia of history that you can discover during its open restoration.

Fridays, Saturdays, Sundays and public holidays. 12:00. € 2€

3 OLD FISHING PORT

This district with its gaily coloured fishermen's cottages and narrow streets, is a weekend favourite to have some glasses of wine, "pinchos" or simply stroll and enjoy the magnificent views of the river mouth. Start here "The Old Port, from house to house" Free APP.

4 FLYSCH BIZKAIA

Come and discover these capricious rock formations formed under the sea during 60 million years and currently located on the coast. Along the coastal strip of La Galea you will also find these points of interest: Aixerrota Mill (1726), Nuestra Señora del Carmen Cemetery (1908), Andra Mari Church (12th century), La Galea Fort (1742), La Galea Lighthouse.

deapie Self-guided tours of Getxo

Deapie, through the cultural routes focusing on the architecture and landscape of Getxo, offers a new way of discovering the municipality and its people. You are going to enjoy the stories of 14 people who have a special bond with our municipality.

1 MEDIEVAL TOWN (Santiago north way)

It was declared a Monumental Site in 1996 and treasures corners, streets and squares of great character. We can cross the three streets that formed the old medieval town: Coscojales; Victor Chávarri; and Santa María. To highlight the presence of the town of Portugalete within the Way of the Coast in the pilgrimage to Santiago is confirmed by a direct Jacobean source. This is the Armenian Bishop Martyr of Arzandjan, who in 1494 made the round trip along this coastal route and on his return settled in "The big city of Portugalete". The Municipal Pilgrim's Hostel is located in the Zubi-Alde Sports Centre, has capacity for 30 beds and is open from June 1st to September 30th.

2 OLD RAILWAY STATION

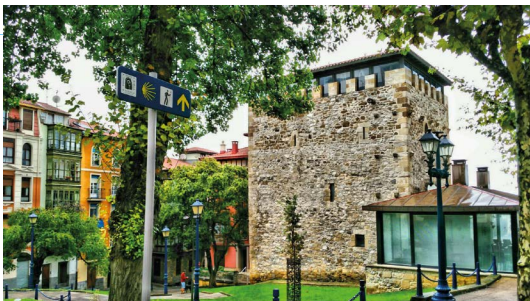

The Tourist Office is currently located in what used to be the old railway station.

3 RIALIA

Museum of the Industry that constitutes a historical-artistic center that tries to recover and spread the vestiges of the industrial past of the region.

4 SALAZAR TOWER

Medieval tower house of the 15th century that belonged to the Salazar lineage. It currently houses a museum and a Basque haute cuisine restaurant.

Tuesday to Friday: 17:30-20:30. Saturdays: 11:00-14:00 / 17:30-20:30. Sundays and holidays: 11:00-14:00. Monday: closed.

5 BASÍLICA SANTA MARÍA

15th century Basilica in Gothic style with Renaissance influences, especially on the façades. Sacred art museum, where examples of silverwork, church garments, a choir book from the 17th century and a pulpit sounding board from the 19th century are on display.

6 TIDE GAUDE AND THE IRON WHARF

The tide gauge (1883), whose aim was to measure the level of the tides. The iron wharf (1887), declared heritage of cultural interest in 2012. Considered one of the greatest engineering constructions of the late 19th century, it made easier the navigation of ships by the river.

7 ORIOL PALACE

Built in 1902, this Victorian-style building tells us the history of the golden age of Bizkaia, a time in which the upper-class tourists, visited Santurtzi advised by their personal doctors to swim in the Cantabrian Sea. Today converted into a hotel, from its viewpoint we can enjoy magnificent views of the Abra Bay and the basque coast.

8 AGURTZA FISHING SHIP

Discover one of the few traditional wood-built fishing boats left on our coasts. Learn about life on board the ship by visiting the bridge, the engine room, the cabins...
