PLACES OF INTEREST / What to see?

0 BIZKAIA BRIDGE

More popularly known as the Hanging Bridge, is the oldest shuttle bridge in world (1893). A work by Alberto Palacio. It stands 63 metres high and spans 160 metres. Go up to the pedestrian walkway and you will enjoy some extraordinary views.
⌚ 10:00-14:00 / 16:00-19:00
€ Gondola: 0,55€. Pedestrian walkway: 10€
Start here or in the Old fishing Port, Magic Fly interactive Tour!

1 THE BIG VILLAS PROMENADE

A pleasant audioguided route along the Quays of Las Arenas and Arriazu, where some information panels will help you relive Getxo's golden years. You will discover some of the most representative buildings in its mansion-house architecture (19th & 20th centuries). The route can begin at the Churrucua Monument to end at the Begoña Point Galleries (or vice versa).

2 PUNTA BEGOÑA GALLERIES

Built a century ago by Ricardo Bastida as a place of leisure for the businessman Horacio Echevarrieta, this coastal icon holds within its walls millennia of history that you can discover during its open restoration. Tickets: <https://puntabegonagetxo.eus>

3 OLD FISHING PORT

This district with its gaily coloured fishermen's cottages and narrow streets, is a weekend favourite among the Getxo natives and visitors, who come together to have some glasses of wine, "pinchos" or simply stroll and enjoy the magnificent views of the river mouth. You can start here the itinerary "The Old Port, from house to house" with your smartphone. Free APP.

4 FLYSCH BIZKAIA

Come and discover these capricious rock formations formed under the sea during 60 million years and currently located on the coast. Along the coastal strip of La Galea you will also find these points of interest: Aixerrota Mill (1726), Nuestra Señora del Carmen Cemetery (1908), Andra Mari Church (12th century), La Galea Fort (1742), La Galea Lighthouse.

deapie Self-guided tours of Getxo

Deapie, through the cultural routes focusing on the architecture and landscape of Getxo, offers a new way of discovering the municipality and its people. You are going to enjoy the stories of 14 people who have a special bond with our municipality. With deapie, it is possible.

1 MEDIEVAL TOWN (Santiago north way)

It was declared Monumental complex in 1996. We can cross the three streets that formed the old medieval village: Coscojales street, Víctor Chávarri Street, popularly known as Calle del Medio and Santa María street. To highlight the presence of the town of Portugalete within the Way of the Coast in the pilgrimage to Santiago. The Pilgrim's Municipal Hostel is situated at Zubialde Sports Center and it's open from June 1 to September 30.

2 LA CANILLA

Currently the tourist office is located in what was the old railway station of "La Canilla".

3 RIALIA

Museum of the Industry that constitutes a historical-artistic center that tries to recover and spread the vestiges of the industrial past of the region.
⌚ October-March: Tuesday to Saturdays: 10:00-14:00/16:00-18:00. Sundays and holidays: 10:00-14:00. April-September: Tuesday to Saturdays: 10:00-14:00 / 16:00-19:00. Sundays and holidays: 10:00-14:00. Closed: Mondays.
€ General: 3€. Retired people (+65 years) and children under 13 years: Free. Tuesday: free. Groups: 1€

4 SALAZAR TOWER

Medieval tower-house from the 15th century that belonged to the Salazar lineage. From the tower itself, they were able to dominate all the maritime traffic, as well as the roads that ran through the town. The last reconstruction was carried out in 2003, converting it into an exhibition hall. It is worth mentioning that from the tower you can enjoy the best views of the town.

5 BASÍLICA SANTA MARÍA

15th century Basilica in Gothic style with Renaissance influences, especially on the façades. The Basilica also houses a sacred art museum, where examples of silverwork, church garments, a choir book from the 17th century and a pulpit sounding board from the 19th century are on display.

6 TIDE GAUDE AND THE IRON WHARF

The tide gauge (1883), whose aim was to measure the level of the tides. The iron wharf (1877), declared heritage of cultural interest in 2012. Considered an one of the greatest engineering constructions of the late 19th century, it made easier the navigation of ships by the river.

7 ORIOL PALACE

Built in 1902, this Victorian-style building tells us the history of the Golden age of Bizkaia, a time in which the upper-class tourists, visited Santurtzi advised by their personal doctors to swim in the Cantabrian Sea. Today converted into a hotel, from its viewpoint we can enjoy magnificent views of the Abra Bay and the basque coast.

8 AGURTZA FISHING SHIP

Discover one of the few traditional wood-built fishing boats left on our coasts. Learn about life on board the ship by visiting the bridge, the engine room, the cabins...
⌚ September-June: Weekends 11:00 & 12:30
Easter Week / July-August: Every day 11:00 & 12:30
€ General admission: 2,50€, 5-17 years / + 65 years: 1,50€

9 FISHING PORT - SANTURTZI ITSASOA MUSEOA INTERPRETATION CENTRE

Santurtzi is a fishing town that has preserve its maritime traditions. Located within the fishermen's guild (1916), the maritime museum, Santurtzi Itsasoa Museoa, showcases our history. The heart of the fishing port is the best place to taste the seasonal grilled fish, as well as our famous sardines.
⌚ Easter Week, July-August: Every days: 10:00-19:00
September-June: Monday to Saturday: 10:00-19:00 Sunday: 10:00-15:00
€ General: 1,50€, 5-17 years / + 65 years: 1€

10 SAN JORGE CHURCH

The name of Santurtzi comes from its saint patrón San Jorge (Saint George). Originally a Romanesque church it houses the worshiped image of Our Lady of Carmel.

11 CASA TORRE PALACE- HISTORICAL INTERPRETATION CENTRE

Baroque-style palace built in 1760. It currently houses a free exhibition hall.
⌚ Monday-Saturday: 09:00-14:00 & 18:00-21:30

12 MOUNT SERANTES

Mount Serantes, 451m high, offers a spectacular view of the Basque coast, the Greater Bilbao and the Abra Bay Throughout history, due to its strategic location at the mouth of the Bilbao estuary, several military buildings have been built on its summit and slopes, including the Fort (1882) and the Tower (1881).
